A. Paragraph 2 ("Consideration") is hereby deleted in its entirety and replaced with the following:

2. Consideration. The maximum amount payable under this Agreement shall not exceed one hundred ninety thousand dollars and twenty-five cents (\$190,000.25). See Attachment B attached hereto and incorporated herein by reference.

B. Paragraph 9 ("Compliance with Laws") is hereby deleted in its entirety and replaced with the following:

9. Compliance with Laws.

A. Contractor shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment of any state or federal statute or the promulgation of rules or regulations thereunder after execution of this Agreement shall be reviewed by the State and Contractor to determine whether the provisions of this Agreement require formal modification.

B. Contractor and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6 et seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If Contractor is not familiar with these ethical requirements, the contractor should refer any questions to the State Ethics Commission, or visit the State Ethics Commission website at <<<<http://www.in.gov/ethics/>>>>. If Contractor or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Agreement immediately upon notice to Contractor. In addition, Contractor may be subject to penalties under Indiana Code § 4-2-6-12.

C. Contractor certifies by entering into this Agreement, that neither it nor its principal(s) is presently in arrears in payment of its taxes, permit fees or other statutory, regulatory or judicially required payments to the State. During the term of such actions, Contractor agrees that the State may delay, withhold, or deny work under this Agreement and any supplements or amendments.

E. If a valid dispute exists as to Contractor's liability or guilt in any action initiated by the State or its agencies, and the State decides to delay, withhold, or deny work to Contractor, Contractor may request that it be allowed to continue, or receive work, without delay. Contractor must submit, in writing, a request for review to the Indiana Department of Administration (IDOA) following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties.

F. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest under IC 5-17-5.

G. Contractor warrants that Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Agreement and grounds for immediate termination and denial of further work with the State.

H. Contractor agrees that the State may confirm, at any time, that no liabilities exist to the State, and, if such liabilities are discovered, that State may bar Contractor from contracting with the State in the future, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until Contractor is current in its payments on its liability to the State and has submitted proof of such payment to the State.

Notwithstanding the provisions contained in IC 5-17-5, the Parties stipulate and agree that any liability resulting from the State of Indiana's failure to make prompt payment shall be based solely on the amount of funding originating from the State of Indiana and shall not be based on funding from federal or other sources.

30. Progress Reports

The Contractor shall submit progress reports to the State upon request. The report shall be oral, unless the State, upon receipt of the oral report, should deem it necessary to have it in written form. The progress reports shall serve the purpose of assuring the State that work is progressing in line with the schedule, and that completion can be reasonably assured on the scheduled date.

31. Renewal Option

This contract may be renewed under the same terms and conditions subject to the approval of the Commissioner of the Department of Administration and the State Budget Director in compliance with IC 5-22-17-4. Exercise of this option is at the sole discretion of the State and is not subject to agreement or acceptance by the Contractor.

32. Severability

The invalidity of any section, subsection, clause or provision of this Contract shall not affect the validity of the remaining sections, subsections, clauses or provisions of this Contract.

36. Termination for Convenience

This Contract may be terminated, in whole or in part, by the State whenever, for any reason, the State determines that such termination is in the best interest of the State. Termination of services shall be effected by delivery to the Contractor of a Termination Notice at least thirty (30) days prior to the termination effective date, specifying the extent to which performance of services under such termination becomes effective. The Contractor shall be compensated for services properly rendered prior to the effective date of termination. The State will not be liable for services performed after effective date of termination. The Contractor shall be compensated for services herein provided but in no case shall total payment made to the Contractor exceed the original contract price or shall any price increase be allowed on individual line items if canceled only in part prior to the original termination date.

37. Termination for Default

A. With the provision of thirty (30) days notice to the Contractor, the State may terminate this contract in whole or in part, if the Contractor fails to:

1. Correct or cure any breach of this Contract;
2. Deliver the supplies or perform the services within the time specified in this Contract or any extension;

3. Make progress so as to endanger performance of this Contract; or
 4. Perform any of the other provisions of this contract.
- B. If the State terminates this contract in whole or in part, it may acquire, under the terms and in the manner the State considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue work not terminated.
- C. The State shall pay the contract price for completed supplies delivered and services accepted. The Contractor and the State shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the State determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.
- D. The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or equity under this contract.

The Contractor certifies that if it is a non-domestic entity, it is registered with the Indiana Secretary of State to do business in the State of Indiana.

No right conferred on either party under this Contract shall be deemed waived and no breach of this contract excused, unless such waiver or excuse is in writing and signed by the party claimed to have waived such right.

41. Work Standards

The Contractor shall execute its responsibilities by following and applying at all times the highest professional and technical guidelines and standards. If the State becomes dissatisfied with the work product of or the working relationship
